

# THE IOWAN<sup>®</sup> magazine

The Silos & Smokestacks National Heritage Area and *The Iowan* have joined together to offer members the opportunity to be part of a special advertising guide during the seasonal months of 2015. *The Silos & Smokestacks* advertising section is a great way to showcase your organization and attract visitors to your area, as well as to help promote agricultural projects across the state.

A 1/12 page square ad is only \$145 per insertion. To further save you money, we are offering a 2-month run for \$250.00. *The Iowan* standardizes and assembles the 1/12 page ad at no additional charge. The ad is comprised of a logo, 20- word description, location, phone number and website address.
