

## #QR 1863: A Collaborative Twitter Reenactment of Quantrill's Raid

### Tweets

*A collaboration of several Lawrence cultural institutions that resulted in the live-tweeting of an imagined, real-time reenactment of Quantrill's Raid on its 150th anniversary.*

### Goals for Webinar

- Using social media to interpret history
- Creating a successful social media campaign
- Involving the public in the job of "doing history"

## Why Quantrill's Raid?

Tweets

**Trending: Pick your "thing"**

**We found that using a single one-day or two-day event is easier to organize.**

# Why Twitter?

## Tweets

- Widely used, free and anyone can participate.
- Today, Twitter allows anyone to report breaking news to millions with shared hashtag, i.e. #Ferguson.

**Trending: Figure out your platform**

**Twitter isn't right for everything. Different platforms have different strengths.**

## Welcome to Twitter.
